

Eagle Chevron Belt Cleaner

GET THE **EAGLE EDGE!**
MADE IN THE U.S.A.

The Eagle Chevron Belt Cleaner is designed to clean cleated, raised rib and chevron belts. Our unique patent pending Poly-Star™ is designed to reduced clogging associated with standard brush type cleaners. Each Poly-Star™ is independent with flexible fingers moving to conform to belt profiles. The cleaner is free-rotating on a standard tube design, with a specially engineered composite sealed bearing block system.

POLY-STAR™

Formulated with abrasion resistant urethane that will out last rubber 3-1.

AVAILABLE IN ALL STAINLESS STEEL

FEATURES AND BENEFITS

- † 8 1/2" Diameter Poly-Star™
- † Engineered composite sealed bearing blocks
- † Heavy duty mounting tube
- † Adjustable mounting bracket
- † All components powder coated
- † Compatible with mechanical and vulcanized splices
- † Will work on reversible belt applications
- † Compact design
- † Handles corrosive and abrasive materials (wet or dry)

FDA Poly-Star™ are available for Food Applications upon request

***“Not just assembled in the U.S.A.
but made in the U.S.A.”***

Eagle Chevron Belt Cleaner

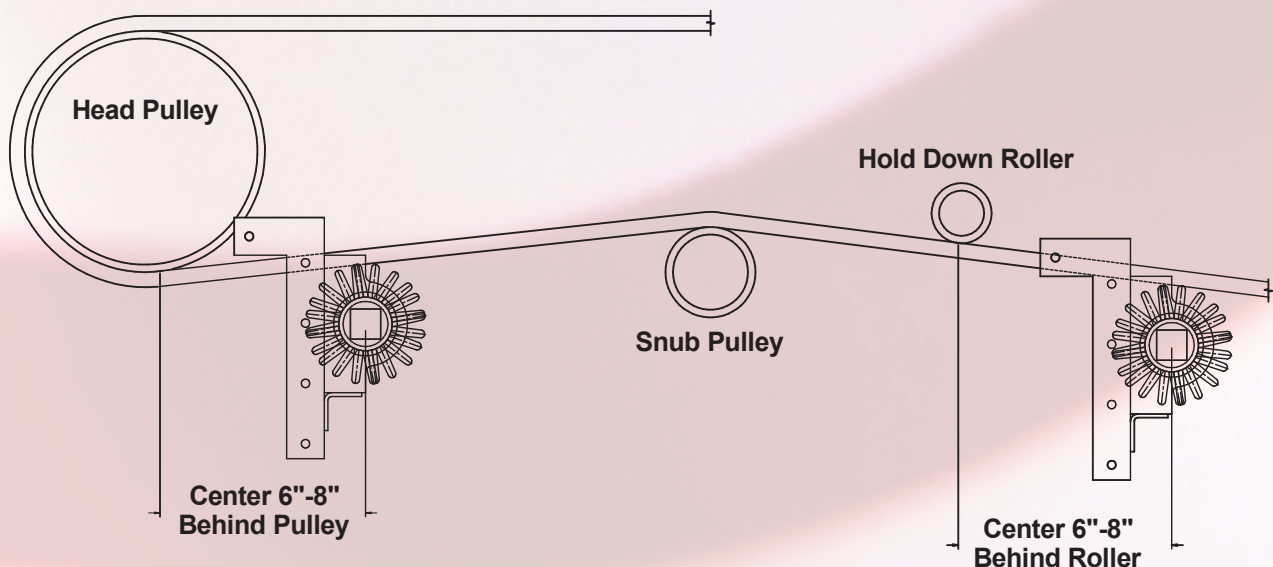

GET THE **EAGLE EDGE!**
MADE IN THE U.S.A.

Eagle Chevron Belt Cleaner is available in 12"- 96". The abrasion resistant Poly-Stars™ come pre-assembled on mounting tubes and are full belt width.

The heavy duty mounting tube is made of 2" square steel tubing designed to have almost no deflection. With composite sealed bearing blocks designed to accommodate the square mounting tube, the cleaner is easily adjusted on the bracket. Self adjusting mounting brackets are included.
