

E8 SECONDARY CLEANER with Urethane Blades

GET THE **EAGLE EDGE!**
MADE IN THE U.S.A.

BENEFITS

- † Adjustable spring tensioning bracket allows for versatility of mounting location options
- † Designed for setting blade attack angles quickly, CNC machine aluminum split pipe clamps also allow removal of pipe for easy blade replacement.
- † Specially formulated Ev-r-wear™ urethane blade.
- † Compatible with reversing belts.

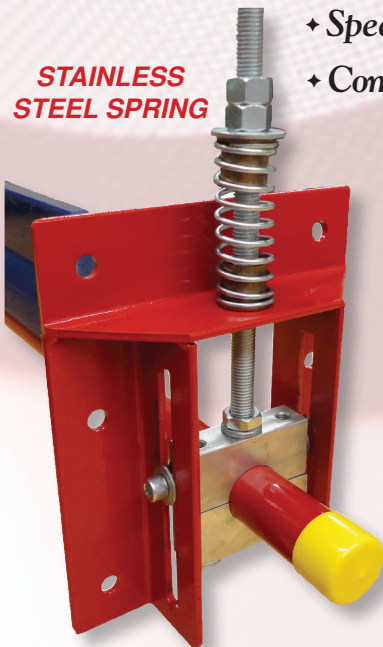

Our E8 Series Cleaners are spring tensioned for constant blade pressure against belt.
